What is NewbornCourse.com?

NewbornCourse.com is an innovative parent-training program dedicated to newborn and mother care.

- * almost 30 hours of user-friendly instructional content
- * designed to get you prepared for pregnancy, labor, and the care of your newborn
- * will empower you with the confidence needed for parenthood

Why use NewbornCourse.com?

Parenting is one of the greatest adventures life has to offer. Most adventures make us apprehensive, and parenting is no different! More than 90% of the new parents we polled stated that they had little or no experience with babies and childcare. Many parents and parents-to-be said that they were prepared for almost every situation—but not parenting.

What will you learn from the Newborn Course?

Below is just a small sample of the topics covered at NewbornCourse.com:

- * pregnancy
- * labor
- * postpartum care
- * infant sleep schedule
- * newborn hygiene
- * breastfeeding, formula, and nutrition
- * immunizations
- * nursery setup
- * growth and developmental milestones

How do you take courses at NewbornCourse.com?
